NO INSURANCE COVERAGE FINANCIAL POLICY

It is our office's policy to collect for services as they are rendered.

Patients with no insurance coverage will be expected to pay for services on each visit unless prior arrangements are made with the office manager.

- **By signing this document, I am taking full responsibility for payment of the services I receive at Palmetto State Chiropractic, LLC.**
- Furthermore, I agree that if I (patient or guarantor) agree that if I do not abide by the financial policy stated above, my account will be turned over to your collections agency with a 45% collection fee to be collected at my expense.

Everything that I have stated in my Chiropractic Registration and History Form is correct. I understand that you will retain this Chiropractic Registration and History Form in my file.
